VISUAL EFFECTS

Noise Grain

Fixed body::before overlay, SVG fractal noise
opacity: 0.09-0.15 (subtle), pointer-events: none
Gives premium tactile depth without heavy gradients

Nav Blur

backdrop-filter: blur(12px)
Background: rgba(14,13,26,0.85) → 0.95 on scroll
Fixed top, full width, border-bottom purple tint

Hero Glow

Two radial blobs — purple + orange
filter: blur(80px), opacity: 0.35, position absolute
Creates depth behind hero headline

Fade-up Scroll

.fade-up: opacity 0 + translateY(28px)
IntersectionObserver adds .visible class
Staggered 80ms per element on enter

TONE & COPY RULES

Voice Founder texting a mate. Not an agency pitch deck. Casual, direct, no fluff.

No em dashes Never use — (em dash). Use commas or hyphens instead.

No bullet points Service card body copy is always prose, never bulleted lists.

Key phrases "Nothing to lose" / "We won't sell you a course" / "No juniors, no outsourcing"

Core USP Outsourced ecommerce team, not just another agency.

Sentences Short. Direct. White space. Breathing room.
